 Parents Signature

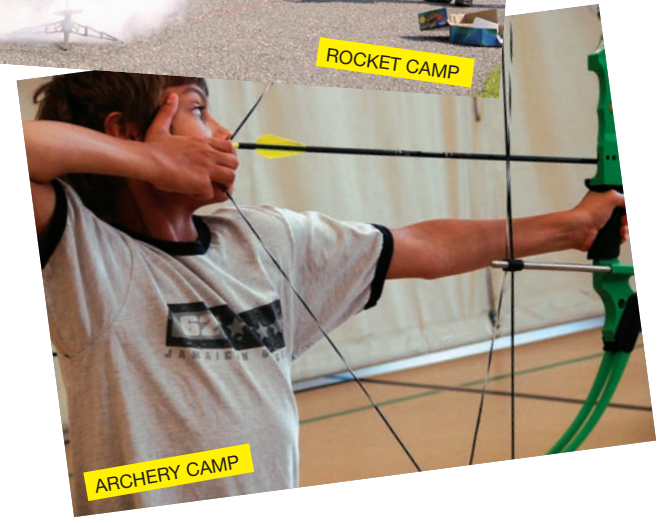

It is understood that in medical situations, the staff will need to contact the local emergency resource before the parent, child's physician and or other adult acting on the parent's behalf. I give permission to Our Savior IEC to take whatever emergency (first aid, disaster evacuation) measures as judged necessary for the care and protection of my child while under the supervision of the center. If local emergency recourse feel it is necessary the child will be transported to an appropriate medical facility for treatment, at the expense of the parent.
