MEMORY WORK

DIRECTIONS:

Each of the items are considered to be one (1) memory assignment. The confirmand is to do one assignment at a time, in the order given. Each assignment is to be learned with the help of a parent, and then written out on the “memory sheet” in the presence of a parent.

Each memory assignment is to be corrected by the parent. If there are more than 10 words wrong, the assignment should be re-learned and re-written on a new “memory sheet.” Additional memory sheets can be downloaded from our website if they are needed. A parent is to sign the bottom of a corrected memory sheet with no more than 10 words wrong. Each sheet, once completed, corrected and signed is to be turned in to Pastor Zahrte as soon as they are done.

NOTE: Each confirmand will have to do two or three assignments a month in order to complete all of them by the April due date.

ALL MEMORY ASSIGNMENTS ARE DUE APRIL 28
