

# The Prodigal Father

Luke 15

The traditional title came from religion.

The Father spent the most.

The Father's spending was not measured in money.

The Prodigal Father is...

- Approachable
- Anchored
- Affectionate
- Assuring

The distant land is not measured in miles.

The Prodigal Father closed the distance.

John 3:16-17

The Prodigal Father runs for me!
