

Title-Style vs Substance
Text-1 Corinthians 1:10-18
January 22, 2017

Who are you following in your life?

The Church in Corinth was more concerned with style than substance.

Salvation + Eternal Life = Direction

Redirection

Style > Substance = Division + Zero Growth

1 Corinthians 1:10-18 calls us to repent for all those times we have been so critical of God's messengers, that we have ignored the message.

Substance = Jesus Christ + His Gospel

The Holy Spirit calls us to look beyond the style of the messenger, and to look instead to the message.
