

Getting ready

for your **Lifetouch** photography session

We can't wait to serve you! Our professional photographers will greet you and walk through what to expect during your photography session. Keep these tips in mind as you're getting ready for your session:

Clothing

Solid colors and subtle, coordinating patterns are the best choice for a timeless photograph.

Also, be aware that your shoes may show.

Meaningful items

Personalize your photographs by bringing meaningful items such as a family bible, musical instruments or sports equipment to your session.

We want to capture the real you!

Our trained photographers aim to create natural, interactive poses.
